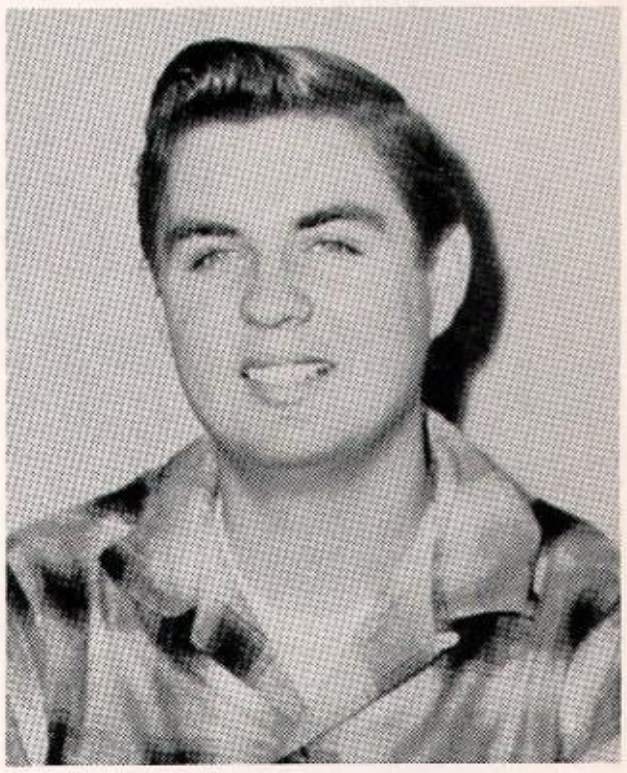
DEDICATION...

With this edition of the 1956 Mel-Hi, which celebrates the opening of the new school, we cannot but wish to recognize the person who has done so much for the old school and continues to do so much for the new.

Her time and talents have been given to Melbourne High School for many years. We would, therefore, like to make this dedication in thanks to her.

She has served as teacher, Principal, and Assistant Principal, but regardless of title, Mrs. Ruth Henegar still remains..... Mrs. Melbourne High School.

EDITOR'S MESSAGE



We, on the annual staff, give you this, the 1956 Mel-Hi, for your enjoyment and approval. We hope that it meets every expectation you had and even goes a little beyond.

Don't ever forget that your school years are your best years. With this in mind, we tried to cover all the highpoints of the year so that you will never forget the best years of your life. We endeavored to make this yearbook a little different in all respects to better remind you of your school days.

The Editor and Staff would like to express their appreciation to all the people that helped them in so many ways. In closing, we would like to say that we hope you enjoy this annual and our sincere best wishes go to the graduating Seniors, to whom an annual is a priceless possession.

PRINCIPAL'S MESSAGE TO THE GRADUATING CLASS OF 1956

As you Seniors launch your new careers with eager and exciting anticipation, those of us remaining behind cannot escape a trace of sadness over your Commencement. And yet, we feel a tremendous burst of pride - for in you lie all of our hopes and aspirations for a bright new tomorrow.

We hope you will remember that the royal road to success would have more travelers were not so many lost while attempting to find short cuts. Most men seem to fail through lack of direction rather than lack of ability.

Never forget that while a man may be better than his reputation, he is never better than his principles.

The poor man is not the man without a cent but the man without a dream.

LETTERMAN'S CLUB

The Letterman's Club is an organization consisting of boys and girls who, by participating in some sport, by cheerleading, or by managing a sport, have earned an award letter.

One of the main events of the Letterman's Club is the annual Homecoming Dance held after the homecoming game. Also, each year, at the close of the football season, a football banquet is held, after which the Letterman's Club sponsors the annual Letterman's Dance.

However, the main purpose of this organization is creating and keeping good sportsmanship at a high point throughout the entire year.

The council sponsored the membership drive in November, when every high school student joined. They also made tray favors for the hospitals at Key West and Patrick Air Force Base. The main project of the council was the high school chest. This chest was made by the Industrial Arts Class and was filled by the council, with the money obtained from many projects.

This summer, one boy and one girl will be selected to attend the J.R.C. Training Center in North Carolina, to learn about the Junior Red Cross.

HONOR SOCIETY

The purpose of the Honor Society is to encourage scholarship, character, leadership and service. This is accomplished by requiring a certain standard of grades and absolute honesty of all members, and by performing useful services for the school.

D. C. T.

Diversified Co-operative Training is a program to train high school juniors and seniors, sixteen years or older, in occupations of their choice. This program utilizes the business and industrial establishments of the community as training agencies.

D.C.T. is based on the philosophy that every boy and girl should have the opportunity to discover and develop to the fullest, their interests, latent aptitudes and abilities. This enables them to become more valuable citizens with a satisfying feeling of confidence and vocational competency.

This program was started in Melbourne High School three years ago, and has had a steady growth since that time.

First row, pictured left to right: Bette Brown, Associate Editor; Tom Bass, Editor. Second row: Mary Burton, Marcia Hoskins, Jeanel Fordyce, Mary Jacobus. Third row: Rick Esbensen, Harry Goode, Jr., Chuck Pierson.

ANNUAL STAFF

Last September, a bright-eyed, rosy-cheeked group of students were captured in several bear traps set around the new High School building. They were then informed that they would have to produce the biggest and best Annual commemorating Melbourne High.

The Staff was then placed under the direction of Mr. Martin Schoppmeyer and Editor Tom Bass, who locked them in a storm cellar, from whence issued occasional reports of progress and pleas for air. After the chains were removed from the door, the staff members slowly emerged gaunt and sere with several pages of copy clutched in their ink-stained fists. After these were forcibly removed from their grasp, they were first studied by several Anthropologists and then sent to the printers.

You are now looking at the best available English Translation of their labors.

Pictured left to right: Susan Fischer, Ann Payne, Kit Michels, David Schultz, Roberta Szparaga, Charlotte Minton, Clara Sheppard.

VOCATIONAL BUSINESS EDUCATION

The Vocational Business Education program was started in Melbourne High School in 1954.

The aim of this class, sponsored by Ernest Miller, is to train students in a particular skill and then put the skills into practice on the job. There, they are always under the supervision of capable persons, anxious to help them in learning the business.

This program allows students to be placed in jobs individually according to their desires, abilities, and training.

Under the direction of its sponsor, Martin Schoppmeyer, and its captain James Huguely, the club already has in the short period of its existence attained third place in the District Tournament at Stetson University. Plans are progressing for a complete program of debates with other schools in the area.

STUDENT COUNCIL

The purpose of a Student Council is to obtain a better relationship between the student body and the Administration. This has been the motto of each person belonging to the Student Council.

Under the guidance of the officers and sponsor, Mr. Adkison, the council has undertaken the projects of selling student cards, Bulldog Book covers, and arranging the dances held in the Eau Gallie Civic Center through the co-operation of the Civic Center Committee.

The council's gift to the school this year was a patio of Tennessee red rock. The idea, the drawing of the plans, and the construction of this patio were contributed entirely by the council members.

By such a program of activity and record of accomplishment, the Student Council has attempted to lead the way toward a better M. H. S.

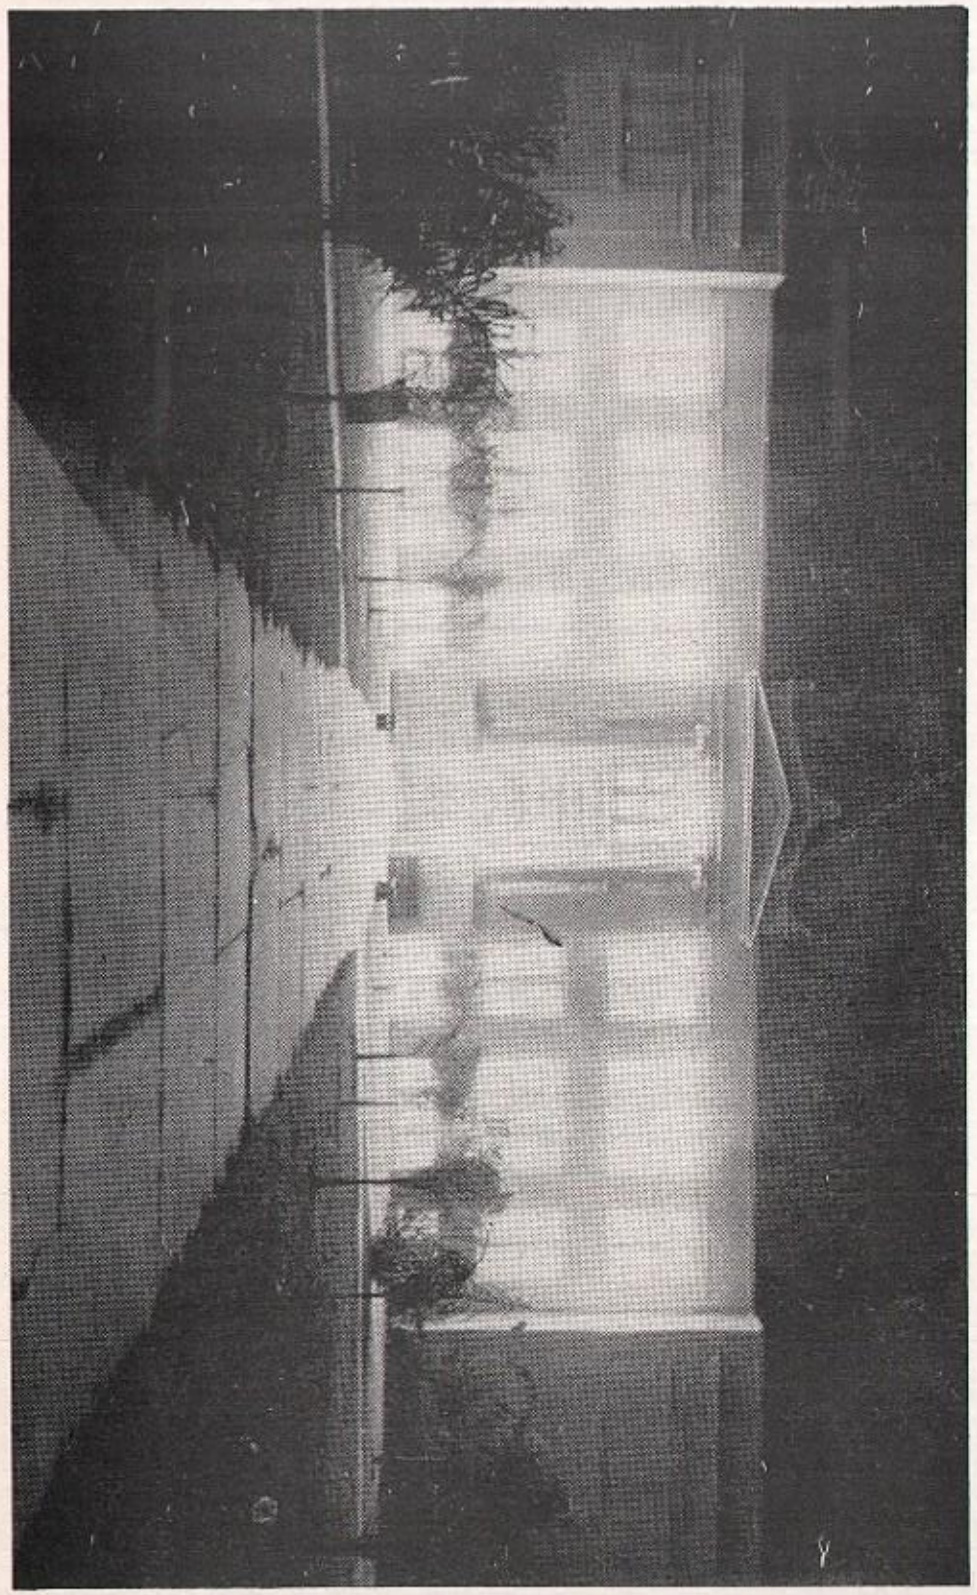
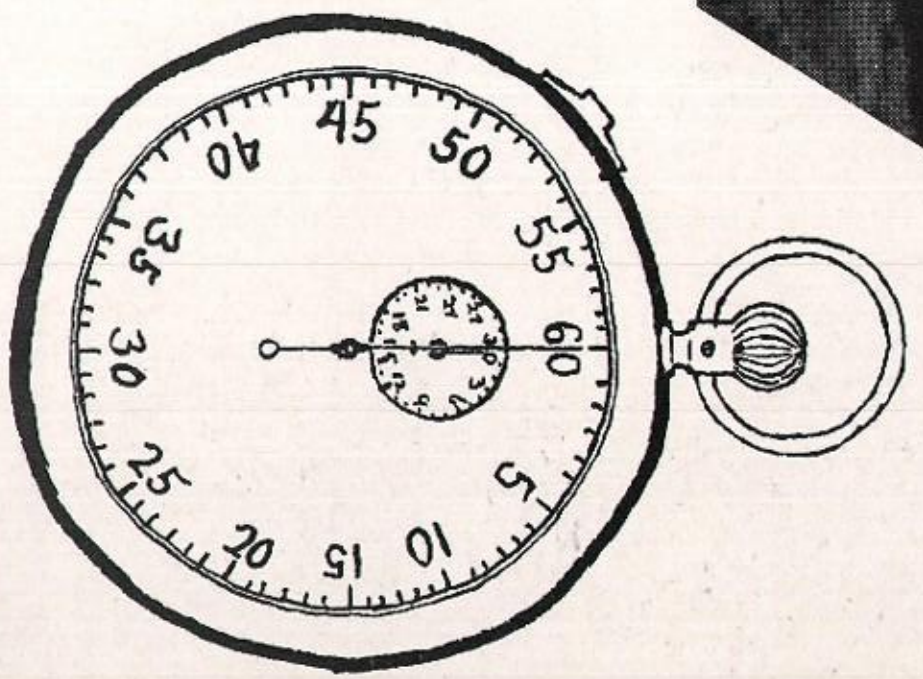
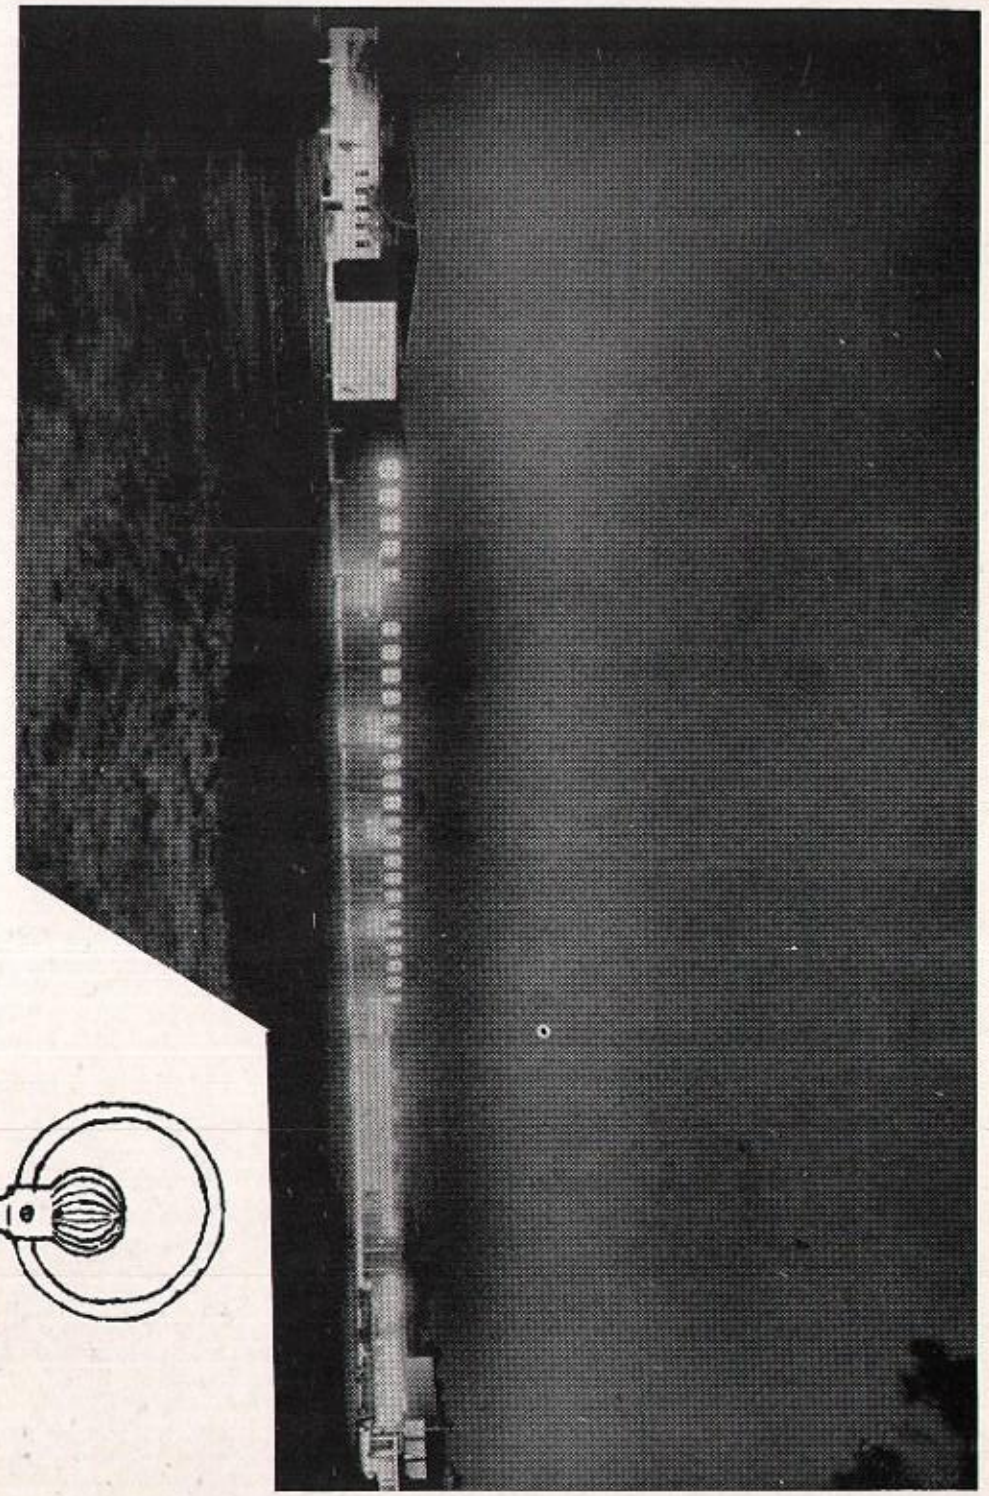
Tomorrow and Tomorrow and Tomorrow

Class of 1970







UNDERTOW

The 1955 Melbourne High Bulldogs were the champions of the Orange Belt Conference, won the Brevard County title and the Shrine Bowl game.

The team won eight and lost two games in regular season play, and won the Shrine Bowl game 34-20.

Offensively the Bulldogs were led by Junior Carl Meyer, and All-Conference quarterback who led the team in scoring and yards gained. Carl was backed up by the dependable, hard running of George Nida, the fullback, who punched out valuable yardage. Barney Corbin and Carl Morin were also standouts at the halfback post.

The top two scorers for the Bulldogs were quarterback, Carl Meyer with 60 points and Bill Stroud, end, with 42 points.

The team scored a total of 192 points, of which Ted Nida contributed 16 extra points in 25 tries.

Defensively the Bulldogs were headed by Ted Nida, Little All-State guard and the following All-Conference players: Alan Whiting, center; George Nida, fullback; Bill Stroud, end; and Carl Meyer, quarterback.

While giving due credit to all outstanding players, let us not forget that it takes eleven men to make a winning team.

FOOTBALL BANQUET

The football season was highlighted by the annual Football Banquet at which the Bulldogs were honored with many awards.

The Orange Belt Conference Champions received trophies from the Orlando Sentinel-Star, and the Florida Times-Union newspapers.

Coach Rick Gillespie presented all the members of the team with the letter awards. The players also received arm patches with the inscriptions, "Orange Belt Conference Champions," and "Brevard County Champions."

An individual trophy went to Carl Meyer for the outstanding back. This was presented by Mr. Harry Goode, Sr. Mr. Goode also presented Bill Stroud the outstanding linesman's trophy.

The next award went to Alan Whiting and Ted Nida for being the most valuable players. This award came from the Bulldog's Quarterback Club.

Captain Jack Platt presented Coach Rick Gillespie a statuette on behalf of the Bulldog squad. A similiar award was given to Assistant Coach Buff Humphries.

The Bulldogs also presented Arthur "Pappy" Roberts a gift in appreciation of his work for the team throughout the football season. The presentation was made by Ted Nida.

The Junior Varsity was not to be outdone, as Howard Guilhaus also presented Coach Charles Gray a trophy.

Laco Rhodes presented Eddie Wood with the Laco Rhodes trophy for the most improved Junior Varsity player.

Mr. Harry Wright, the line coach from the University of Georgia, was guest speaker and added greatly to the success of this event.

HOMECOMING

The 1955 Homecoming Queen, Debbie Dougan shown with Captain Jack Platt.

Homecoming candidates were: Debbie Dougan, Mary Ann McCarthy, Susie Fischer, Joyce Goodwin, Gerry Hudik, Jo Ann Barry, Fran Wharton, Mary Berryman, Pat McPherson, Dot Spencer, Judy Woodling, Helen Finger, Carolyn Gandee, Jerry Ann Whitehead, and Marcia Hoskins.

The lower picture is the candidates before the Queen was announced.

BASKETBALL

COACH MILLER

This year's Melbourne Basketball Team finished 6th in the conference, the same as last year, but the team was much better than last year's in both offense and defense.

Coach Ernest Miller will lose only one senior from the squad this year, Jim Platt.

This will leave the following returning lettermen: Bill Stroud, Bill Archer, Eddie Parsons, Red Sales, Jim Lepper, Bob Meyer, and Carl Meyer. Bud Lanham / Red Alderman

These boys might quite possibly be the Orange Belt Conference Champions next year.

TO THE GRADUATING CLASS

No system of education can attain the desired satisfactory results without intelligence and well directed purpose, unity and harmony of effort, and difinite comprehensive knowledge of conditions and requirements.

A force for freedom as old as life itself, which will emerge with vividness from the complexities of our times. Not only life, but freedom itself must find regeneration from youth.

In every generation, youth presses for this acheivement. Each generation has the right to build its own world with the materials of the past, cemented by the hopes of the future.

Older men declare war, but it is youth that must fight and die. And it is youth who must inherit the tribulations, sorrow, and triumphs that are the aftermath of war.

Youth can bring the courage, the ideals, and confidence which can erect a new society in America.

You have a great heritage. You are receiving and finding homes built by your forebearers, but you have an even greater heritage; that is the heritage of religious faith and morals. There is no problem which confronts our country that you can not solve within the frame-work. We know you will carry forward. We wish you to carry it with the dauntless assurance of your forebearers who faced the chill of the ocean, the danger of the forrest and deserts, the lonliness of the pioneer days to build upon this continent a dedication to justice and liberty for the dignity of the individual man. Watch over it vigilantly, guard it, protect it from foes within and without; make for it a sanctuary and dedicate it to God and all man-kind.
